

Key PCC accomplishments in 2020

- Successfully passed H.3174, the Electric Assist Bicycle bill, through the state legislature and signed by the Governor.
- Advanced other legislative initiatives, specifically the 3 Feet to Pass (S.906), Hands Free bills (S.723, H.3355), the Complete Streets bill (H.3656), the Bicycle and Pedestrian Safety bill (H.3172), and the Vulnerable Roadway User bill (H.3173).
- Successfully advocated for SCDOT complete streets policy formation, and advised that policy formation directly with the Secretary of Transportation and her Deputies, through multiple drafts. This was conducted in coordination with the entire SC Livable Communities Alliance, including 25 mayors and dozens of state and local organizations.
- Assisted more communities with distribution of Safe Streets Save Lives bike safety education curriculum
- Assisted Columbia in advocating for implementation of its Road Safety Audit in the 5 Points Area
